1962 RETAIL LIST

SANDY ACRES IRIS GARDENS WOLCOTT, NEW YORK

Minimum order accepted \$3.00. Postage paid and free iris with orders \$3.00 or more.

\$.25 MUST be added if total amount of order is not \$3.00. Cash with order. We start filling orders in early July. All orders mailed or delivered. If you visit the gardens please bring this brochure with you.

We wish to thank each of you for your patronage and many fine letters and cards of appreciation. We hope to continue serving our old customers and add many new customers to our files.

Give iris, the living and lasting gift. For your business partner, doctor, neighbor, sick person or any friend. Ideal gift for Birthday, Anniversary, Mother's Day or Father's Day. If you wish to give for Christmas we mail those in the fall or early spring. Please tell us the occasion, date you wish them to arrive, donors name as you would like it on enclosure card and complete address where you want them sent. Postal Rules will not permit any writing other than donor's name on enclosure card. Iris will arrive in fresh condition anywhere in any foreign country. We do not pay for air mail deliveries.

We also wish to take this opportunity to thank each of you for being so patient and understanding last year that it was not our fault the reason you did not receive your order earlier in the season. Due to rain every day the entire season it was impossible to get in the fields to dig them. Everybody was certainly very nice about the situation and we appreciate your cooperation very much. We sincerely hope for better weather this season. Please mention if you would like your order at a specific time. Orders filled from July 1st until October 15th.

NOTICE TO DEALERS: We do not issue a wholesale list. Please send us your list and amount you would like. We will promptly quote you on prices. We do not pay transportation on wholesale orders. If any dealer would like us to fill mail orders for him, we would be very glad to do so. Unless you have bought from us previously be sure to submit proof of commercial status. Mailing tag or letterhead. License number, alone, is not sufficient proof.
